Western Red Cedar Shiplap Siding is the perfect choice for traditional or contemporary architectural styles alike. Mary's River Western Red Cedar Shiplap is manufactured with the same classic appearance that has made shiplap siding such a mainstay in American architecture. The solid-sawn quality of real wood Mary's River Shiplap Siding has depth and detail that wood substitutes just can't duplicate.

Our Shiplap Siding is available either unseasoned or as a premium KD grade.

A truck load of Mary's River Western Red Cedar Siding is assembled at the Corvallis shipping yard.
